

RAGE Volleyball Practice Session Schedule 2016

Saturday, September 24th

Emerald Ridge High School

For the practice session on Saturday, September 24, each team will get half of a court to conduct their one-hour practice session. Players from the high school teams will be at the gym to assist you with running your practice (helping out with drills, etc.) if you would like. There will be a RAGE representative present to assist you when necessary and answer any questions you might have. Before leaving the gym, coaches must be sure to turn in a copy of their roster to a RAGE representative with a team name, t-shirt color and any changes to the roster (i.e. spelling corrections, phone number changes, and shirt size information).

Please cooperate with coaches on the other courts and keep in mind that the last few minutes of the practice session is a great opportunity to scrimmage with the team you're sharing a court with.

The schedule for your first set of matches on Saturday, October 1st will be sent out to coaches and posted on the website no later than Wednesday, September 28th. Please be sure to check the website for game schedule information.
