Program Info

RAGE Volleyball is a recreational program for girls looking to learn basic skills, have fun and interact. This is NOT a competitive program, nor do we promote a competitive atmosphere during league play. No official score or standings will be kept.

Team Information

Teams will be determined after the last registration session on September 17. Coaches will have a meeting on September 21 and receive their rosters, rules, program info, and the schedule for Practice Day on September 24. After the coaches meeting, coaches will contact players with information about their team and where to be on the 26th. If you do not hear anything by Friday morning please contact Justin Luckman (contact info on bottom).

Coaching

We heavily rely on volunteers to serve as the coaches in this program and we're always in need of more coaches. If you or someone you know is interested in getting involved please contact Justin Luckman.

All matches will be held on Saturdays beginning October 1 through October 29

Teams will play 7 matches on 5 Saturdays. There will be various Saturdays in which teams will have double-matches.

Team Practices on Saturday, September 24th

You should be notified by end of day on Thursday, September 24th by your coach as to what time and where you will be practicing on this day. Check the website for this info as we will try to get it posted there as well. All other practices that take place during the week are arranged by the team coaches separately. We do not arrange the practice schedules during the week for the teams.

League Play Begins on Saturday, October 1st

Your first games will be played on Sat., Oct. 1st at either Puyallup, Emerald Ridge, or Franklin Pierce HS. Coaches will be emailed this information and then we will get it posted on the website ASAP. When in doubt, parents should call their coach that week to find out when they play.

Schedules

Schedules for the entire season will be available on the website no later than Thursday, September 29.

Uniforms

T-shirts for each player will be available prior to the team's first game on Sat., October 1st
